

Full-Time or Part-Time Associate Dentist

Seeking a motivated dentist to join our dedicated team in a busy, comprehensive general practice, which can lead to participation in a hospital dental program for those that are interested. Our practice serves a diverse population, which includes but is not limited to special needs patients. We offer a competitive salary, great benefits and do not ask you to sacrifice your work-life balance, all while making a tremendous positive impact on the community we serve.

- New Jersey License required
- Position includes paid vacation and holidays
- No weekends or evenings
- Health benefits, life insurance and disability insurance
- Professional development and learning opportunities
- Competitive Salary

Responsibilities:

You will be responsible for providing high-quality dental care, including the delivery of diagnostic, preventive, restorative and surgical dental care services to patients.

You must adhere to established procedures and all federal and government regulations, including the state dental board rules and regulations, HIPPA regulations and OSHA regulations.

You must create dental treatment plans and coordinate oral health care while educating patients, guardians and support staff and maintaining patient records according to compliance standards.

Other duties as assigned.

Education:

Must have a dental degree from an accredited school of dentistry.

Experience:

Must demonstrate skilled care and judgment in the practice of dentistry through at least one year of successful practice of dentistry.
